Chairman's Message

Padma Bank aims to grow and maintain a healthy and diversified financial profile for inclusive economic growth. Since inception, the Bank has played a significant role in shaping the lives of people and developing the economies and communities in which it operates. This is done through supporting and financing strategic projects in our country in addition to pioneering its social responsibility by serving its communities' needs and priorities.

We will continue to focus on delivering the customers with better services and maintaining momentum to make Padma Bank a simpler and better Bank for our customers while promising to be transparent about our progress.

Chowdhury Nafeez Sarafat
Chairman
Padma Bank Limited

MD & CEO's Message

Padma Bank's ongoing commitment to enhance financial wellbeing, provide exceptional service and deliver iconic experiences remains at the heart of our strategy. We strive to meet our customers' need by providing solutions they value and trust. With the consistent application of simple and innovative technology and services, we are making banking fast, easy and secure, no matter how customers choose to bank with us. This will cater to the unbanked financial needs which is also a mandate of central bank.

Padma Bank is run by a diversified workforce. We believe that a workforce that mirrors the communities we serve will improve the quality of our decisions and improve our engagement with customers. We will build up our position in Retail and MSME customer segment to escalate private investment and boost our economy towards a longest running economic expansion on record.

Creating value for our customers is at the core of what we do and what we bring to you a comprehensive, uniquely designed and growing product portfolio with attractive features and new offerings.
